

Traversa Cabernet Sauvignon: This is a 100% Cabernet Sauvignon wine and shows classic varietal character. A nose of pepper, plum and a bit of spice leads into a round mouthfeel, with elegant structure and nice complexity.

Traversa Cabernet Franc: Also very varietally correct, with a slightly lighter feel than the Cab Sauvignon. Touches of bell pepper and herbal notes in the nose, and bright cherry/plum on the palate.

c

Traversa Tannat: This wine is a blend of 90% of Tannat and 10% Merlot to round off the edges. Fermented in stainless, aged for 2 months in American oak and then in bottles for about a year before release. A deep ruby red color with complex nose of smoke and leather leads into flavors of stone fruits such as plum, apricot, cherries with hints of spice. A dry, full-bodied wine with a strong and balanced palate. Soft tannins and an elegant structured finish.
