

**We can't eat at Lele's  
Restaurant tonight,  
But we can drink his "house"  
Pinot Grigio!** From a little  
restaurant in Murano, the glass  
making island of Venice, Italy,  
this is the same wine, even the  
same label. This is the true  
traditional coppery color of  
pinot Grigio; it's fresh,  
lively... a taste of Venice!

(Lele having fun... as usual!)

**Musaragno Pinot Grigio**  
**"BUSA ALLA TORRE DA LELE"**
