The heart and soul behind this wine is Helmuth Zozin, one of the most highly regarded winemakers in Italy. A deep cherry ruby color with a powerful bouquet that has strong jammy accents mingled with smoke and considerable sandalwood spice. On the palate it's full and powerfully fruit driven, with fairly sweet berry fruit and acidity supported by tannins that flow into a fairly sweet tannic finish… great with succulent roasts and stews, and because of its sweetness it will also work well with spicier foods.
