

GIRARDET

2009 Chardonnay Umpqua Valley

This Chardonnay comes from some of the oldest vines in the Umpqua, planted between 1971 and 1990. The wine is fermented in 50% stainless steel, and 50% in new French Oak. This creates the perfect marriage of flavors, combining fresh tropical fruits mingled with silky-smooth, buttery oak.

SILVER MEDAL

2011 San Francisco
International Wine Competition
