

**ARIZONA
STRONGHOLD**

**From Maynard Keenan of the
Rock Band Tool**

**TAZI White Blend
Southeastern Arizona**

**From the Washington Post, February 24, 2010: This unusual blend boasts sauvignon blanc, chardonnay, Riesling and Malvasia Bianca. Sommelier and Vino 50 brand manager Andrew Stover describes it as "Arizona's version of Conundrum" but "without the residual sugar." It's terrific: a cornucopia of exotic fruit flavors with a long, dry finish that is quite food-friendly.
1967 cases produced**
