

Ten Sisters

2010 Single-Vineyard Sauvignon Blanc

We really are 10 sisters—and 1 brother!

Marlborough, New Zealand, is the source of the world's best sauvignon blanc. Ten Sisters Sauvignon Blanc has a delightfully fragrant and complex bouquet. The palate is crisp and lively, and its elegant layers hint of tropical fruit. Excellent on its own, it also pairs well with seafood, chicken dishes, Asian cuisine, and salads.

"Without question belongs in the top tier of New Zealand sauvignon blancs. Could easily command a \$30 price." — Crush Winehouse

"Poured in top DC restaurants." — DC magazine
