#### **The Butterfly**

2020 Virginia Skin-Fermented Viognier  
Creativity. Potential. Transformation.

*14 day skin contact. 1/3 in neutral French oak  
2/3 in stainless steel. Spontaneous yeast  
fermentation; spontaneous malo fermentation.  
Aromas of white flower, dried citrus rind and  
baking spice. Flavors of citrus pith, dried lemon  
and ripe green melon. Long, lingering finish.*

Fourteen day skin contact. 1/3 in neutral French oak, 2/3 in stainless steel. Spontaneous yeast fermentation; spontaneous malolactic fermentation. Aromas of white flower, dried citrus rind and baking spice. Flavors of citrus pith, dried lemon and ripe green melon. Long, lingering finish.
